

ArthritisPower Citation List
Current as of 6-3-2019

Bingham Iii CO, Gutierrez AK, Butanis A, et al. PROMIS Fatigue short forms are reliable and valid in adults with rheumatoid arthritis. *J Patient Rep Outcomes*. 2019;3(1):14.

Blalock SJ, Solow E, Nowell WB, et al. A Trial Testing Strategies to Enhance Patient Understanding of Drug Information: Experience Recruiting Subjects through an Online Patient Community [abstract]. In. Vol 69: Arthritis and Rheumatology; 2017.

Curtis JR, Willig J, Safford M, Coe J, O'Hara K, Sa'adon R. Use of Social Media Data for Comparative Effectiveness and Safety Research: An Example from Rheumatoid Arthritis [abstract]. In. Vol 67: Arthritis and Rheumatology; 2015.

Curtis JR, Xie F, Mackey D, et al. Patient's experience with subcutaneous and oral methotrexate for the treatment of rheumatoid arthritis. *BMC Musculoskeletal Disorders*. 2016;17(1):405.

Curtis JR, Chen L, Higginbotham P, et al. Social media for arthritis-related comparative effectiveness and safety research and the impact of direct-to-consumer advertising. *Arthritis Research & Therapy*. 2017;19(1):48.

Curtis J, Yang S, Clinton C, et al. 'Doctor, a Storm is Coming and My Joints Hurt': Evaluating Associations between Weather Changes and Arthritis Symptoms [abstract]. In. Vol 70: Arthritis and Rheumatology; 2018.

Daugherty SE, Lee SB, Nowell B, et al. The Increasing Focus on the Patient in Patient Registries. In: Gliklich R, Dreyer N, Leavy M, et al. e, eds. 21st Century Patient Registries: Registries for Evaluating Patient Outcomes: A User's Guide: 3rd Edition, Addendum [Internet]. Rockville, MD: Agency for Healthcare Research and Quality (US); 2018.

Fraenkel L, Binder-Finnema P, Hsiao B, Wiedmeyer C, Michel G, Nowell WB. Preference Phenotypes Can be Used to Support Shared Decision Making at the Point-of-Care [abstract]. In. Vol 69: Arthritis and Rheumatology; 2017.

Fraenkel L, Wiedmeyer C, Herath G, Michel G, Nowell B. Development of RA Patient Phenotypes. [abstract]. In. Vol 68: Arthritis and Rheumatology; 2016.

Fraenkel L, Miller AS, Clayton K, et al. When Patients Write the Guidelines: Patient Panel Recommendations for the Treatment of Rheumatoid Arthritis. *Arthritis Care & Research*. 2016;68(1):26-35.

Fraenkel L, Nowell WB, Stake CE, et al. The Impact of Information Presentation Format on Preference for Total Knee Replacement Surgery. *Arthritis Care Res (Hoboken)*. 2018.

Fraenkel L, Nowell WB, Michel G, Wiedmeyer C. Preference phenotypes to facilitate shared decision-making in rheumatoid arthritis. *Annals of the Rheumatic Diseases*. 2018;77(5):678-683.

Fraenkel L, Nowell W, Wiedmeyer C, et al. Development of a Rheumatoid Arthritis Global Outcome Measure to Enable Comparisons of Patient Experiences across Treatment Arms in Randomized Clinical Trials [abstract]. In. Vol 70: *Arthritis and Rheumatology*; 2018.

Fritz S, Carandang K, Gibson D. Using ArthritisPower to Facilitate Patient-Doctor Discussions to Make Informed Decisions Regarding 'Painsomnia' [abstract]. In. Vol 70: *Arthritis and Rheumatology*; 2018.

Gavigan K, Jordan K, Meara A, Nowell W. Understanding Patients' Perceptions of Gout In. Vol 70: *Arthritis and Rheumatology*; 2018.

Gutierrez AK, Bartlett SJ, Jones M, et al. People with Rheumatoid Arthritis Recruited from an Online Patient Community May Differ from Clinical Populations in Symptoms and Impacts. [abstract]. In. Vol 68: *Arthritis and Rheumatology*; 2016.

Haroun T, Eudy AM, Jayasundara M, et al. Tough Choices: Understanding the Medication Decision-Making Process for Women with Inflammatory Arthritis during Pregnancy and Lactation [abstract]. In. Vol 69: *Arthritis and Rheumatology*; 2017.

Hickey G, Hunt C, Keebler M, et al. Enhancing Patient Ability to Process and Use Information about Medication Risks and Benefits In. Vol 70: *Arthritis and Rheumatology*; 2018.

Hsiao B, Binder-Finnema P, Nowell WB, Michel G, Wiedmeyer C, Fraenkel L. Preference phenotypes can be used to support shared decision-making at point-of-care for patients with rheumatoid arthritis: A proof of concept study. *Arthritis Care Res (Hoboken)*. 2018.

Jayasundara M, Eudy AM, Haroun T, et al. Answering Reproductive Health Questions That Your Patients Want to Know: Impediments to Family Building and Risks of Contraception [abstract]. In. Vol 69: *Arthritis and Rheumatology*; 2017.

Li X, Fireman BH, Curtis JR, et al. Validity of Privacy-Protecting Analytical Methods That Use Only Aggregate-Level Information to Conduct Multivariable-Adjusted Analysis in Distributed Data Networks. *Am J Epidemiol*. 2019;188(4):709-723.

Li X, Nowell W, Curtis J, et al. Privacy-Protecting Analytical Methods Permit Multivariable-Adjusted Analysis Using Only Aggregate-Level Data in Multi-Center Distributed Data Networks: Results from Empirical Analyses. In: *Journal of Clinical Epidemiology*; (in press).

Mazor KM, Richards A, Gallagher M, et al. Stakeholders' views on data sharing in multicenter studies. *J Comp Eff Res*. 2017;6(6):537-547.

Nowell WB, Curtis D, Thai M, et al. Digital Interventions to Build a Patient Registry for Rheumatology Research. *Rheum Dis Clin North Am*. 2019;45(2):173-186.

Nowell WB, Curtis JR, Crow-Hercher R. Patient Governance in a Patient-Powered Research Network for Adult Rheumatologic Conditions. *Medical Care*. 2018;56 Suppl 10 Suppl 1(10 Suppl 1):S16-S21.

Nowell WB, Gerber N, Curtis JR, et al. OP0254-PARE Rheumatoid Arthritis Patient Characteristics and Willingness To Participate in Research among Members of The Creakyjoints Arthritis Patient Community: Results from A Patient Survey. *Annals of the Rheumatic Diseases*. 2016;75(Suppl 2):154-154.

Nowell WB, Ginsberg S, Higginbotham P, et al. FRI0603 Patients' Prioritization of Patient-Centered Education and Research Topics in Rheumatic Disease. *Annals of the Rheumatic Diseases*. 2016;75(Suppl 2):660-661.

Nowell W. Information Patients Can Provide Will Strengthen the Real-World Evidence That Matters to Them. *Clinical Pharmacology and Therapeutics*. 2019:3.

Nowell W, Curtis J, Chen L, et al. Privacy-Preserving Linkage between the ArthritisPower Registry and Commercial Payer Claims Data to Support Comparative Effectiveness and Outcomes Research [abstract]. In. Vol 70: Arthritis and Rheumatology; 2018.

Nowell W, Gavigan K, Gonzales G, et al. Examining Workplace Supports in the Context of RA Disease Activity [abstract] In. Vol 70: Arthritis and Rheumatology; 2018.

Nowell W, Reynolds R, Gavigan K, et al. Health-Related Quality of Life in Patients with Ankylosing Spondylitis in the United States [abstract]. In. Vol 70: Arthritis and Rheumatology; 2018.

Nowell W, Venkatachalam S, Harden E, Concannon T. THU0644 Patient decisions related to hip and knee arthroplasty and the factors influencing them. *Annals of the Rheumatic Diseases*. 2017;76(Suppl 2):449-449.

Nowell W, Yun H, Beaumont J, et al. THU0645 Optimizing the efficiency of patient data capture using smartphone technology: evaluation of the correlation between promis instruments for pro data capture. *Annals of the Rheumatic Diseases*. 2017;76(Suppl 2):449-449.

Nowell W, Yun H, Willig J, et al. THU0643 What factors relate to patients contributing longitudinal data using smartphone technology? findings from ra patients participating in arthritispower registry. *Annals of the Rheumatic Diseases*. 2017;76(Suppl 2):448-449.

Ogdie A, Nowell WB, Applegate E, et al. THU0292 Diagnostic experiences of patients with psoriatic arthritis: misdiagnosis is common. *Annals of the Rheumatic Diseases*. 2018;77(Suppl 2):364-365.

Ogdie A, Nowell WB, Reynolds R, et al. FRI0180 Diagnosis journey of patients with ankylosing spondylitis in the united states. *Annals of the Rheumatic Diseases*. 2018;77(Suppl 2):631-632.

Ogdie A, Benjamin Nowell W, Reynolds R, et al. Real-World Patient Experience on the Path to Diagnosis of Ankylosing Spondylitis. *Rheumatology and Therapy*. 2019.

Ogdie A, Nowell WB, Reynolds R, et al. The Diagnostic Journey of Patients with Ankylosing Spondylitis in the USA. *EMJ Rheumatol*. 2018;5(Abstract Review No. AR8):56-58.

Stark JL, Yassine M, Nowell WB, et al. THU0159 Barriers to rheumatoid arthritis treatment optimisation: real-world data from the arthritispower registry. *Annals of the Rheumatic Diseases*. 2018;77(Suppl 2):299-299.

Teeple A, Ellis LA, Huff L, et al. Patients' Experiences and Attitudes about Non-Medical Switching of Biologics: Results from an Online Patient Survey [abstract]. In. Vol 69: *Arthritis and Rheumatology*; 2017.

Yun H, Beaumont J, Yang S, et al. Optimizing the Efficiency of Patient Data Capture Using Smartphone Technology: Evaluation of the Correlation Between Promis Instruments for PRO Data Capture. *Arthritis Rheumatol*. 2016;68.

Yun H, Yang S, Nowell WB, Filby C, Chen L, Curtis JR. Assessing RA Disease Activity with PROMIS Measures Using Smartphone Technology [abstract]. In. Vol 69: *Arthritis and Rheumatology*; 2017.

Yun H, Yang S, Nowell WB, Filby C, Chen L, Curtis JR. Methotrexate Use and Fatigue in Rheumatoid Arthritis Patients: Results from a National Patient Registry [abstract]. In. Vol 69: *Arthritis and Rheumatology*; 2017.

Yun H, Nowell WB, Willig J, et al. What Factors Relate to Patients Contributing Longitudinal Data Using Smartphone Technology? Findings from RA Patients Participating in Arthritispower Registry. *Arthritis Rheumatol*. 2016;68.

Yun H, Nowell WB, Curtis D, et al. Assessing RA Disease Activity with PROMIS Measures using Digital Technology. *Arthritis Care Res (Hoboken)*. 2019.
